STATE ROUTE 91 HOV PROJECT UPDATE **FULL NIGHTTIME FREEWAY CLOSURE AT CRIDGE STREET BRIDGE**

Riverside - Yes, we said **FREEWAY CLOSURES...**

In order to begin building the new Cridge Street Bridge, the old bridge must first be demolished. As a result, there will be *FREEWAY CLOSURES* of State Route 91 (SR91) between Central Avenue and 14th Street beginning on **Sunday night January 13 from midnight (12:00 AM) through 8:00 AM and Monday, January 14, from midnight (12:00 AM) through 5:00 AM.**

Detour signs will be posted, but expect delays and plan your commute accordingly. Use Interstate 10 and State Route 60 as east/west routes in and out of the Inland Empire.

For more information on this and other Caltrans projects, visit our Web site at **www.caltrans8.info** and click on "News and Document Center." Sign up to receive Commuter Alerts automatically in your email while there. Check www.91HOVProject.com for updates and pictures of the project.

Thank you for your patience as Caltrans and RCTC work to improve the State Route 91.
